Dear Umut, We really appreciate how much you have helped us on our 18 day trip to Sri Lanka. Your knowledge has been so informative in relation to the culture and history of this Blessed Land and all the stunning Buddhist sites. Your local knowledge and experience meant that we got the most ^{out} of our trips being in the right place at the right time. It was lovely to meet your family in Kandy. They are delightful and a real credit to you.

Your mini bus was a haven from the heat, beautifully clean, cool and well maintained and we always felt safe with your driving. The air conditioning is just brilliant!!!

You have been so professional and your time-keeping and organising has been spot-on.

We are more than happy to recommend you to anyone. Please feel free to give our email to potential clients should they want a personal reference. Thank you for your kindness, good humour and patience.
