

Dear Upul,

After 11 wonderful days with you we found it really hard to say goodbye. There were several times on tour when we both found ourselves thinking - "we have never enjoyed ourselves so much." This was mainly due to you and your passion for your beautiful country and the interesting way you describe everything. You have an amazing knowledge with facts and figures, but you are also a born 'story teller' - no wonder your little girl feels sad when you go on tour.

We thank you for making our comfort a priority. We had lovely hotels, excellent food served by waiters full of beaming smiles. We felt very safe and cool in your comfortable Toyota. The views so much better than from a car. Photo shots and extra stops of interest were no problem as you obviously wanted us to have the best Sri lankan experience. Your attention to detail, organisation and timing from temple visits to elephants bathing was simply spot on.

So many people have written wonderful things about you. Your family must be so proud of you. We are so lucky to have found you. A true Sri lankan gem - an Upul not an opal!

Thankyou again for giving us so many memories to treasure. Till soon, we will meet again, our very best wishes
